STEP 3: Email a copy or an image of the athlete's birth certificate or passport to paysasa@sbcglobal.net. If the athlete is "new" to Streamline Aquatics, but has previously been registered with another USA Swimming Team, please complete a Transfer Form, and email it to paysasa@sbcglobal.net.

STEP 4: Once your membership registration with Streamline Aquatics has been processed you will be provided with a personalized link to complete the membership registration process with USA Swimming. Please allow 2-5 business days after submitting your DocuSign Registration Forms for additional information to be sent to you.

STEP 5: Use the personalized link to complete and pay for the membership registration with USA Swimming.

STEP 6: Email the athlete's name and new USA ID Number to paysasa@sbcglobal.net. Submitting the new USA ID Number is how SASA will know that you have registered with USA Swimming and are allowed to train with Streamline Aquatics.

The 2023-2024 SASA Team Fees & Dues Schedule, Practice Schedules, Meet Schedule, Swim Gear Requirements, and More! are posted on the Home Page of the SASA website under the Program Overview Tab.
